

# DORNOCH 'CARNEGIE COURT HOUSE' PROJECT

Todd & Liz Warnock (Links House) have plans to invest £750,000 to turn the Dornoch Court House into a 'Carnegie-themed', quality visitor destination with 'House of Bruar-style' tea room and deli, a specialist whisky shop and a spa.

In addition to this, a new, top-of-the-range Visitor Centre including the Service Point and a Registrar will be developed on the ground floor, conditional on:-

1. Commitment from Highland Council to retain the Service Point for a minimum of 5 years.
2. Commitment from DACIC to base its operations in the Court House.
3. The community to raise £20,000 to meet half the costs of the new Visitor Centre.

This is a unique opportunity to develop the Court House building and could not come at a better time. Following the formation of the Business Group last September, DACIC has recently secured a £100,000 funding award from the Coastal Communities Fund (for new signage, visitor map, mobile app and marketing development officer post), and a £40,000 funding award from the VisitScotland Growth Fund (for a marketing strategy to develop visitor numbers and spend off season). With additional support from local businesses (£20k) and an award from the Dornoch Common Good Fund (£15k), **DACIC will be investing £175,000 into the local economy over the next 18 months to help promote and support tourism in Dornoch.**

However, we now need the support of the community to raise the £20,000 to fund the new Visitor Centre, and so help secure the future of the building. **We know that the Court House is close to people's hearts and you can now help this happen by making a financial pledge.**

I am willing to pledge the following amount to DACIC to help fund the new Visitor Centre in the Dornoch Court House building, and thus secure its future.

- £100       £25       £10       Other £ .....
- I would prefer to keep my donation anonymous

I understand that the above amount will only become payable by me on or after May 19th 2015 and only if all the conditions outlined above are met.
