Job Summary

Interested in advancing your career in hospitality? Looking for an inspiring Highland adventure where you can develop your professional skills as part of an award-winning, collaborative, and supportive team? It is our warm welcome, both for our guests, and equally for new members of the team, that we are most proud of. We have a fabulous and happy team, all of whom share our philosophy and passion.

Duties for the **Food & Beverage Assistant** include serving at tables, taking dessert orders, upselling, and ensuring guests receive first-class service and attention. Some Bar experience would be useful but not essential. The successful applicant will be smart, reliable, friendly, and out-going with a positive can-do approach to work and life. Full training will be given so previous experience is not necessarily required.

So, if you have the right mix of ambition and dedication, along with a good sense of fun and an appetite for the beautiful Scottish wilderness, then we want you on our team!

Work hours/environment/location

Hours are variable but usually between 6pm – 10.30pm, 3–5 days per week. Occasionally a breakfast shift will be included in your rota, the hours being from 7.00am until approximately 10.30am.

Our hotel in Dornoch is located just a few yards from the first tee at Royal Dornoch Golf Club, and overlooks the beach and Dornoch Firth. A golfers paradise, some might say!

With 22 guest rooms and 12 luxury apartments, we also have one restaurant that creates exciting and seasonally changing dishes with an emphasis on fresh local ingredients. Guests can enjoy speciality gins and the finest whisky's in our bar and lounge or al fresco in the garden overlooking the links at Royal Dornoch Golf Club.
